

Little Flower Children and Family Services of New York is a not-for-profit human services organization dedicated to improving the well-being of children, families, and individuals with developmental and intellectual disabilities across New York City and Long Island so they can reach their full potential.

Our staff of over 500 essential workers build well-being by providing foster boarding home care, residential treatment care, adoption services, programs and services for individuals with developmental disabilities, and medical and mental health services and coordination.

SERVICES PROVIDED

Family Foster Care programs serves more than 400 children and families in NYC and Long Island

Health and Wellness coordination offered to more than 450 children across NYC and Long Island

Residential programs serves more than 100 children and 300 adults in Queens and Long Island

Family Care & Day Hab for hundreds of individuals with developmental disabilities in NYC and Long Island

OUR MISSION

Little Flower transforms caring into action to deliver services, programs, and direction to improve the lives of children in crisis, families, and adults with developmental disabilities.
