**Thank You to the Long Island Harley Owners Group!**

It wouldn't be a complete holiday season without the rumbling of motorbikes coming down the driveway of our Wading River campus. We are grateful to the **Long Island Harley Owners Group** (LI HOGs) for making a special delivery of holiday gifts through their Annual Toy Run. They brought smiles to the faces of our youth who cheered them on from a safe distance.

Thank you to the LI HOGs for helping us kick off the holiday season in such a special way!

### Transform Caring into Action Before December 31st!

With so much uncertainty in the world, the consistency of care provided by Little Flower has become increasingly vital to those we serve.

While the COVID-19 pandemic continues to impact our community, it certainly has not hindered the efforts of our essential workforce. Every day, 24/7, we continue to provide for the physical, emotional, medical, and mental health needs of more than 2,000 New Yorkers in need!

*That is why your donation this holiday season matters now more than ever. Simply put, our 'Little Flowers' need us, and we need YOU in 2022!*

As we look to 2022, we remain hopeful and grounded and believe small, caring acts can transform the world. We hope you will join us in our efforts to make this sentiment shine throughout the new year.
